

Full Name: _____

Lab 8: User Interface Lab

Note: This work must be completed by the end of the lab in the week of June 13.

Goals:

1. Be able to work with Swing.

Tasks:

- Complete the GUI code for the down and target buttons, which is missing in UIView.java.

Submission:

- Please submit:
 - ☐ a printout of all your changed non-test source code (2-up is ok). Please highlight the changes made.
 - ☐ Also demonstrate your test results
